## ADVANTAGE ONE® **TRUNCATED DOMES**

Advantage One® truncated domes are an elegant, yet durable tactile warning solution. The variety of finishes available ensures there is an opportunity to enhance the safety of every interior application, without sacrificing aesthetics. Individual truncated domes are most commonly installed on stair landings, drop off edges or edges of a reflecting pool.

### **CONCENTRIC RINGS**

Dome Diameter: 22mm  
Centre Dome Pattern:Concentric Rings  
Material: Stainless Steel 316L  
Product Code: ADV-D-1281-N

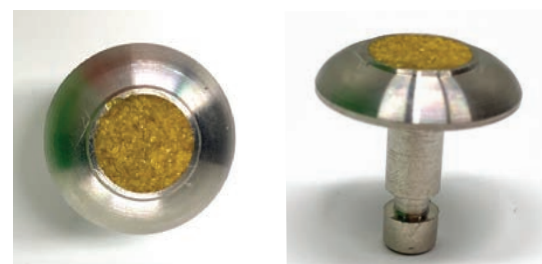

### **CROSS HATCH**

Dome Diameter: 23mm  
Centre Dome Pattern:Cross Hatch  
Material: Stainless Steel 316L  
Product Code: ADV-D-2281-N

### **BLACK CARBORUNDUM**

Dome Diameter: 23mm  
Centre Dome Pattern:Black Carborundum  
Material: Stainless Steel 316L  
Product Code: ADV-D-5281-N

### **YELLOW CARBORUNDUM**

Dome Diameter: 23mm  
Centre Dome Pattern:Yellow Carborundum  
Material: Stainless Steel 316L  
Product Code: ADV-D-7281-N

### ***PVD COATED-GREY***

Dome Diameter: 22mm  
Centre Dome Pattern: Concentric Rings  
Material: Stainless Steel PVD Coated 316L  
Product Code: ADV-D-1281-GR PVD

---

### ***PVD COATED-BLACK***

Dome Diameter: 22mm  
Centre Dome Pattern: Concentric Rings  
Material: Stainless Steel PVD Coated 316L  
Product Code: ADV-D-1281-BK PVD

---

### ***CLEAR ALUMINUM***

Dome Diameter: 22mm  
Centre Dome Pattern: Concentric Rings  
Material: Aluminum - Clear  
Product Code: ADV-D-1282-N

---

### ***BLACK ALUMINUM***

Dome Diameter: 22mm  
Centre Dome Pattern: Concentric Rings  
Material: Aluminum - Black  
Product Code: ADV-D-1282-BK

---

### ***RED ALUMINUM***

Dome Diameter: 22mm  
Centre Dome Pattern: Concentric Rings  
Material: Aluminum - Red  
Product Code: ADV-D-1282-RD

---

## ***BLACK POLY RING***

Dome Diameter: 22mm  
Centre Dome Pattern:Concentric Rings  
Material: Stainless Steel Black Poly Ring 316L  
Product Code: ADV-D-1285-BK

---

## ***YELLOW POLY RING***

Dome Diameter: 22mm  
Centre Dome Pattern:Concentric Rings  
Material: Stainless Steel Yellow Poly Ring 316L  
Product Code: AADV-D-1285-YW

---

## ***BRASS***

Dome Diameter: 22mm  
Centre Dome Pattern:Concentric Rings  
Material: Brass  
Product Code: ADV-D-1283-N

---

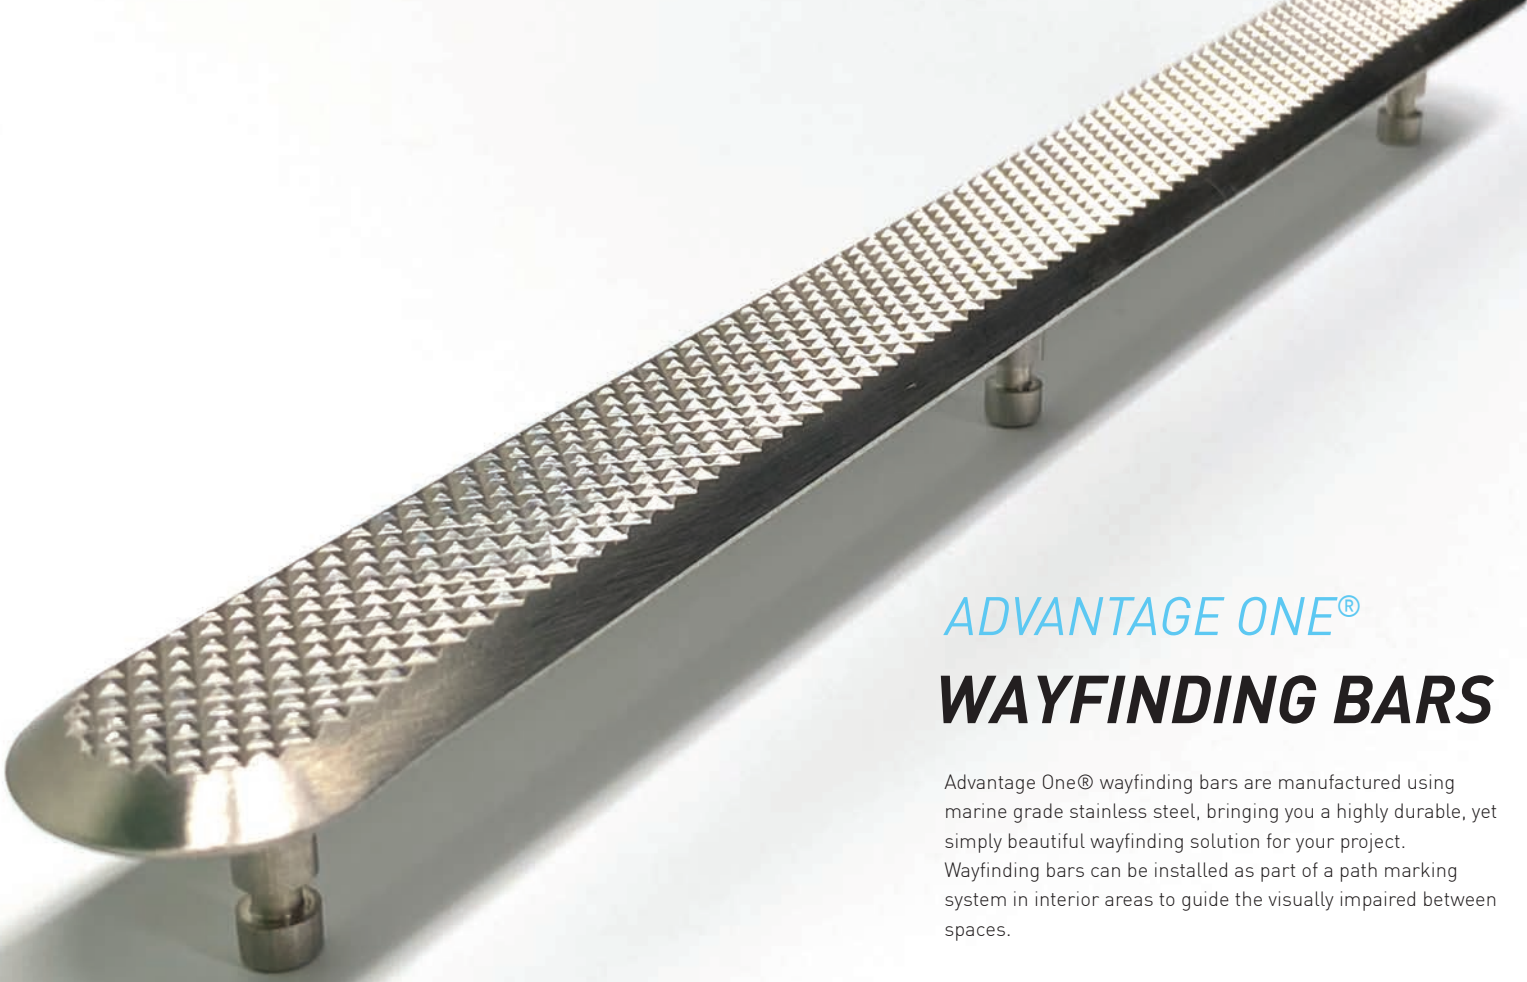

## ***BRONZE***

Dome Diameter: 22mm  
Centre Dome Pattern:Concentric Rings  
Material: Bronze  
Product Code: ?

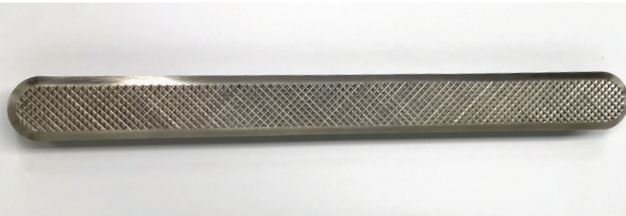

## ADVANTAGE ONE® **WAYFINDING BARS**

Advantage One® wayfinding bars are manufactured using marine grade stainless steel, bringing you a highly durable, yet simply beautiful wayfinding solution for your project. Wayfinding bars can be installed as part of a path marking system in interior areas to guide the visually impaired between spaces.
